

NEW HIGH EFFICIENCY TOP LOAD LAUNDRY

Model WTW5550YW

Dimensions:

Net (inches): H 43 x W 28 x D 27
Net (cm): H 109.2 x W 71.1 x D 68.6
Carton (inches): H 45 ¾ x W 29 x D 27
Voltage: 220-240 Volt /50 Hertz, 4.0 Amps
Net Weight: kg / lbs
Gross Weight: 68.6 kg/151 lbs

Model WTW5550YW Cabrio Style

Features:

- 17 kg Capacity
- New Cabrio Washer with HE Styling** (use with HE detergent only)
- White Color with Grey Panel
- 4.3 Cu.ft. IEC Capacity
- H2Low™ wash system with Auto Load Sensing** (saves on average 20 Gallons of water per load when compared with traditional top load washer; better cleaning performance and gentleness)
- 6th Sense Technology**
- Precision Dispense** provides best cleaning and care for every load by adding detergent, fabric softener and bleach at just right time during the cycle
- Care Control Temperature Management** adjusts cold & hot water inlets to maintain proper temperature levels; water stays sufficiently warm to dissolve detergent w/o getting hot enough to cause shrinking or color bleeding.
- Stainless Steel Basket
- Impeller Agitator
- LED Electronic Controls displaying cycle status
- Lid Lock with light control
- Automatic Dispenser System** holds and releases each additive at the appropriate time
- Push Start/Pause/Unlock Button
- Quiet Spin Technology and Quiet Wash Noise Reduction System
- 11 Automatic Cycles
 - Normal (default warm temp, high spin, medium soil level)
 - Eco Normal (default warm temp, high spin, medium soil level)
 - Casual (default cool temp, low spin, medium soil level)
 - Bulky Items (default warm temp, low spin, medium soil level)
 - Heavy Duty (default hot temp, high spin, extra heavy soil level)
 - Rinse & Spin (cold temp, all spin speeds)
 - Drain & Spin (default high spin)
 - Soak (default cool temp, no spin, light soil level)
 - Clean Washer (recommended every 30th wash with liquid chlorine bleach or AFFRESH™)
 - Delicate (default cool temp, low spin, light soil level)
 - Quick Wash (default warm temp, high spin, light soil level)
- 4 Water Temperatures (Cold, Cool, Warm and Hot)
- Automatic Water Levels
- 3 Spin Speeds (No Spin, Low and High); 800 RPM maximum
- 4 Soil Level Options (Light, Medium, Heavy, Extra Heavy)
- Extra Rinse Option
- Fabric Softener Button
- Fabric Softener and Bleach Dispensers
- 1/3 HP Motor
- IEC, RoHS and CE approved

A Job Well Done™
